

RACING LP2 Pro

Level 2 Limb Protection

Mitigate Fear. Prevent Injury.

D30's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.

The D30® Racing LP2 Pro limb protectors combine the highest certified level of motorcycle safety, extended coverage, and highly breathable, soft and flexible D30® TriVent technology to deliver the ultimate in comfort and protection at high speeds.

Product Features

- LP2 Pro TriVent technology provides enhanced breathability
- Extended arm & leg coverage
- CE certified to EN 1621-1:2012, Level 2 (including optional hot & cold conditions)
- UKCA Certified
- Type A + Type B coverage knee options available
- Asymmetric knee design offers added inner / outer protection
- High curvature delivers superb fit
- Manufactured in a highly durable material
- Pocketed integration
- Temperature stable
