

GHOST™ Central

Level 1 Back Protection

Mitigate Fear. Prevent Injury.

D3O's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.

The D3O® Ghost™ Central Back protector is part of our thinnest, most flexible back protector range for bike and moto. Crafted using D3O's revolutionary, open geometry Impact Print™ technology, Ghost™ back protection delivers unmatched freedom of movement and breathability.

Highly low-profile, CE Level 1 certified protection that conforms perfectly to the wearer's back with every twist and turn. Nothing beats Ghost™ when it comes to fit-and-forget protection.

Product Features

- Unmatched flex & freedom of movement
- Excellent breathability & airflow
- Thinnest D3O® back protector
- Certified to exceed performance requirements of EN 1621-2:2014 & UKCA standards
- Multiple integration options via hook attachment, pocketing or stitching
- Central back protector offering targeted coverage
- Retrofittable into D3O® Viper garments
- Fabric side sits against the body
- Suitable for snow sports*

*The protector has been deemed as suitable for use in snow sports when worn in close proximity to the body, either as part of a base layer or first layer, and not as part of the outermost layer.
