

# GHOST™

## Level 1 Back Protection

### Mitigate Fear. Prevent Injury.

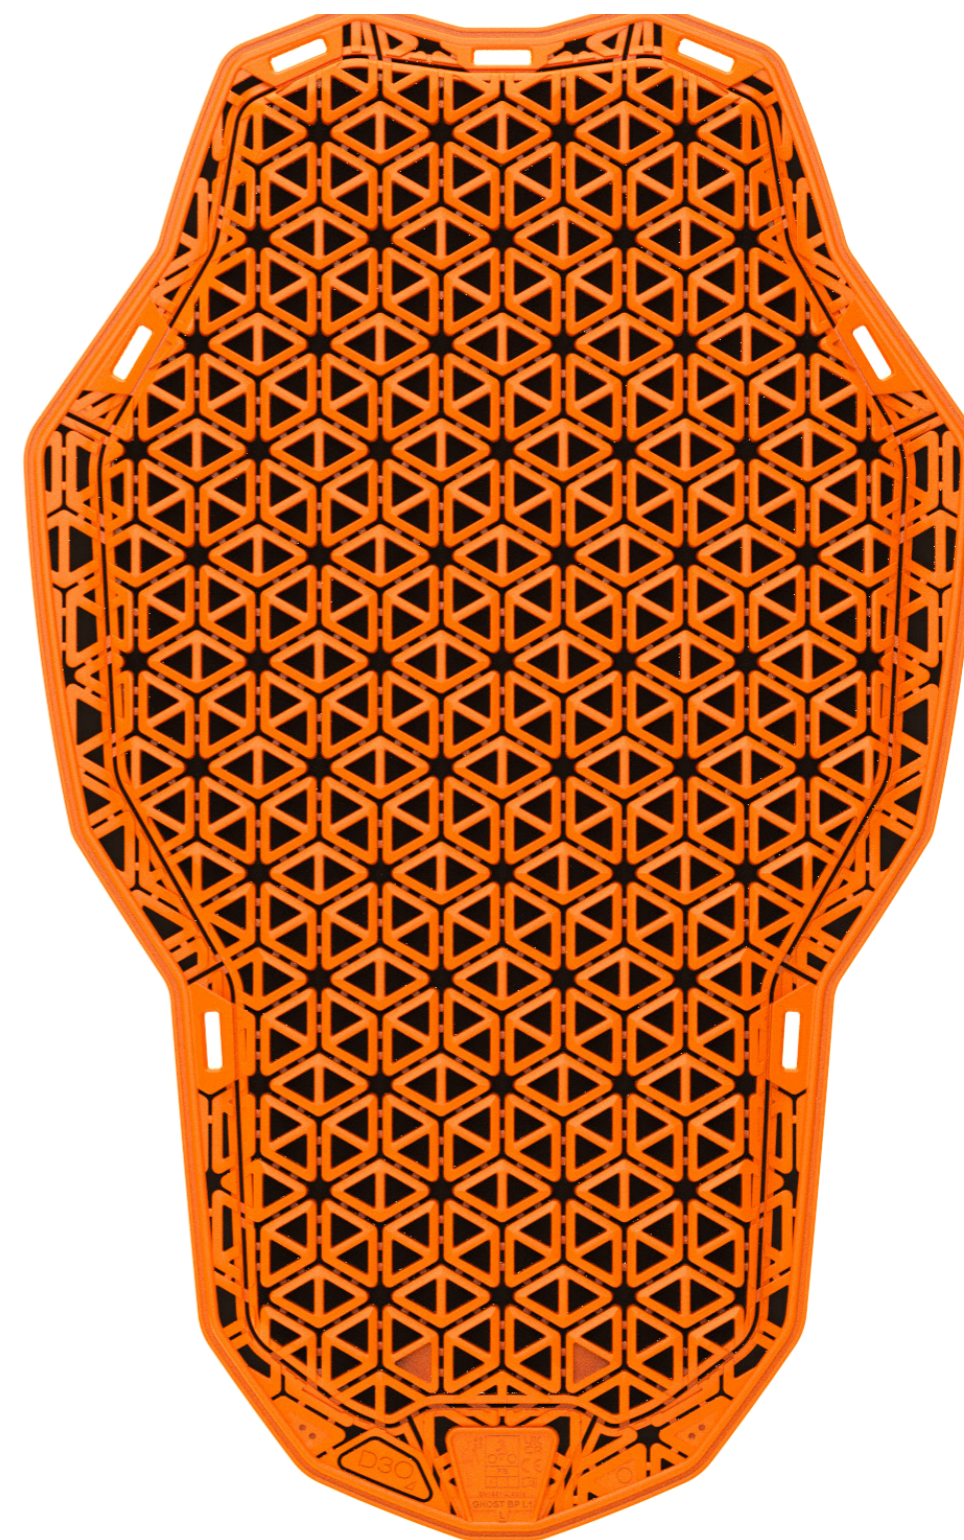

**D3O's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.**

The D3O® Ghost™ back protector is our thinnest, most flexible option for bike and moto. Crafted using D3O's revolutionary, open geometry Impact Print™ technology, the Ghost™ delivers unmatched freedom of movement and breathability.

Highly low-profile, CE Level 1 certified protection that conforms perfectly to the wearer's back with every twist and turn. Nothing beats the Ghost™ when it comes to fit-and-forget protection.

### Product Features

- Unmatched flex & freedom of movement
- Excellent breathability & airflow
- Thinnest D3O® back protector
- Certified to exceed performance requirements of EN 1621-2:2014 & UKCA standards
- Multiple integration options via hook attachment, pocketing or stitching
- Retrofittable into D3O® Viper garments
- Fabric side sits against the body
- Available in three different sizes
- Suitable for snow sports\*
