

PERFORMANCE

Workwear Insoles

GO FARTHER, GUARANTEED

D30® Performance Workwear Insoles offer a simple solution to adding increased comfort to a range of footwear. Use of unique D30® Decell™ and Aeromax™ materials reduces shock absorption and provides a comfortable feel throughout the foot strike.

LOADED

Performance Workwear Insoles

GO FARTHER, GUARANTEED

Loaded insoles features full D3O coverage on the heel, arch and forefoot for ultimate shock absorption and comfort. The unique D3O Decell heel cup cradles the heel and works in concert with the ergonomic arch support and Decell metatarsal inserts to provide unmatched comfort for long days on your feet. Loaded insoles incorporates a moisture-wicking anti-microbial top cover with a highly durable, lightweight, breathable and GRS certified recycled host material.

Material Features

- Full coverage D3O Decell heel cup for maximum shock absorption
- D3O Decell metatarsal cushioning insert
- Ergonomic medial arch support
- Long-lasting PU footbed materials to maintain fit and performance over time
- 40% GRS-certified recycled content
- Highly breathable open-cell host material
- Perforated D3O insert for increased breathability
- High-wicking antimicrobial top cover fabric
- Lightweight construction
- Contoured, soft and conforming
- Trimmable for perfect fit

Certified by Control Union - 1194575

STANDARD

Performance Workwear Insoles

GO FARTHER, GUARANTEED

Featuring a rigid and durable stabilizing shank and D3O Decell shock absorption coverage on the heel, arch, and forefoot, Standard insoles are the go-to solution for people on the move. Standard insoles incorporate a moisture-wicking anti-microbial top cover with a highly durable, lightweight, breathable and GRS certified recycled host material.

Material Features

- Highly shock absorbing D3O Decell heel and metatarsal inserts
- Shank for additional stability and support
- Integrated medial arch support
- Long-lasting PU footbed materials to maintain fit and performance over time
- 40% GRS-certified recycled content
- Highly breathable open-cell host material
- Perforated D3O insert for increased breathability
- High-wicking antimicrobial top cover fabric
- Lightweight construction
- Contoured, soft and conforming
- Trimmable for perfect fit

Certified by Control Union - 1194575

MINIMALIST

Performance Workwear Insoles

GO FARTHER, GUARANTEED

Featuring a generous D30 Decell heel insert, Minimalist insoles are an ultralight and breathable solution that are also highly effective at buffering shock and adding a high degree of comfort. The high-performance EVA host material is contoured, soft and conforms to your foot, greatly improving comfort and walkability.

Material Features

- Highly shock absorbing D30 Decell heel inserts
- High performance EVA host material
- Perforated design for increased breathability
- High-wicking antimicrobial top cover fabric
- Lightweight construction
- Contoured, soft and conforming
- Trimmable for perfect fit
