

# GHOST™ Compact

## Level 1 Chest Protection

### Mitigate Fear. Prevent Injury.

**D3O's materials are designed to absorb and dissipate energy in response to blunt force impact.**

D3O® Ghost™ offers the thinnest and most flexible protection from D3O. Designed as fit and forget armour, Ghost™ Chest protection is made with revolutionary D3O® Impact Print™ technology, allowing unrivalled freedom of movement.

The Ghost™ Compact Chest Protector is designed to meet the needs of wearers wanting a smaller pad due to smaller chest size or for increased freedom of movement, including women, youth or mountain bikers.

### Product Features

- Unmatched flex & freedom of movement
- Ultimate breathability & airflow
- Tapered, winged design optimises weight
- Certified to exceed performance requirements of EN 1621:2018 & UKCA standards
- Type A coverage
- Temperature stable
- Multiple integration options via hook attachment, pocketing or stitching
