

# GHOST™ L2

## Level 2 Limb Protection

Mitigate Fear. Prevent Injury.

**D3O’s materials are designed to absorb and dissipate energy in response to blunt force impact.**

Maximum safety, stealth, and comfort. D3O® Ghost™ L2 is the thinnest, most flexible Level 2 limb protection range developed by D3O. Level up, fit-and-forget.

### Product Features

- D3O® patented technology
- Unrivalled flexibility and freedom of movement
- Highly tapered, freeform iP™ technology combined with stretch fabric back conforms to limbs, fitting perfectly against the body
- Superior breathability and temperature stability
- Versatile integration – can be easily pocketed, stitched or attached via hook loop space
- Product orientation depends on user preference, fabric facing outward ensures reduced read-through
- Significantly exceeds Level 2 of EN 1621-1:2012 standard
- Type A coverage
- UKCA certified
